- **Goal 2, Strategy 1, KPI 1:** 100%, Data focused on West Virginia youth population is available at ODCP and is available for internal use to help guide strategic planning, but it is not available for public distribution.
- **Goal 2, Strategy 1, KPI 2:** 100%, A list is being completed. A secondary assessment has been completed by Josh Barker with Attorney General's Office. The Subcommittee would like to combine these lists and will forward a copy to Bradley McCoy.
- **Goal 2, Strategy 1, KPI 3:** 100%, The Subcommittee has researched and documented youth services available and identified the existing gaps. The Subcommittee will meet with Jenny Lancaster to obtain the Bureau and Behavior Health's finalized booklet of resources to cross-examine.
- **Goal 2, Strategy 1, KPI 4:** 100%, The Subcommittee has met with the Public Education and Courts Subcommittees as needed.
- **Goal 2, Strategy 1, KPI 5:** 100%, A document is completed which defines the current youth substance use disorder ecosystem as well as available treatment and recovery services.

- **Goal 2, Strategy 1, KPI 6:** 50%, The formalized written report composed of recommendations and youth available treatment services is scheduled for completion in Quarter 1 of 2026.
- **Goal 2, Strategy 1, KPI 7:** 50%, Recommendations have been discussed between the chairs, Dr. Stephen Loyd and Rick Dempsey at ODCP, and Josh Barker at the Attorney General's Office. A formal report will be presented to the Governor's Council in 2026.

#### **Additional Discussion**

- Rick Dempsey is adding a KPI about investigating and listing the out-of-state facilities that West Virginia sends its youth to. There are multiple contacts in West Virginia that can be reached out to for this data, such as Josh Barker and Amy Sadler among others.
- Private pay individuals can only receive 72 hours of involuntary treatment if they are accepted out of state because the youth are not in the state's care and are not in the judicial system. Monongalia County has an extensive outpatient service; however, these youth are already in the judicial system and not seeking treatment of their own accord.

#### **Adjournment:**

Rebecca closed the meeting by thanking all Subcommittee members for their attendance and participation. The Youth Subcommittee will meet again on January 22, 2026 at 9:00 AM.
