Opening:

Chief Shawn Schwertfeger (Chair) provided welcome and opening remarks of this meeting of the Governor's Council on Substance Abuse Prevention and Treatment – Law Enforcement Subcommittee. The meeting was called to order on Tuesday, July 14, 2026, and was conducted by Google Meet conference. Chief Schwertfeger approved the June 9, 2026 meeting minutes. There was no further discussion. The purpose of this meeting was to discuss progress of key performance indicators (KPIs).

Agenda Items:

2026 State Plan Key Performance Indicators (KPIs)

- Bradley McCoy shared the document he uses to track all trainings related to KPIs and the counties with representatives registered for the trainings. The document has been updated with all of the information submitted for the Quarter 2 Progress Report. He asked attendees to continue sending updates by email for late June or July training as well as the CIT Summit occurring July 20-22, 2026.

Town Hall Meeting Planning

- Bradley McCoy provided an overview of the virtual format and dates. Registration can be found at the following link: <https://helpandhopewv.org/odcp/>
- Dr. Stephen Loyd wants to organize in-person Town Hall Meetings in the spring of 2027.

Additional Discussion:

- Justin Smith provided an update on The Office of Emergency Medical Services (OEMS) data not being sent to ODMAP. ODMAP data for the last month is only based on boots-on-the-ground people manually entering data. This has happened once before and is likely due to an update in software that ODCP is working with partners working to rectify.

Adjournment:

Chief Schwertfeger closed the meeting by thanking all Subcommittee members for their attendance and participation. The Subcommittee will meet again on Tuesday, August 11, 2026 at 9:00 AM.
